View classes online at lclibs.org/adults and register at the hosting library.
17 classes will be offered throughout Lebanon County Libraries.

Book Blurbs...by Victor Comisso

Lillian Boxfish Takes A Walk by Kathleen Rooney

Eighty-five year old Lillian, a former executive in the male-dominated advertising business, takes a stroll around Manhattan and talks about her remarkable life. Witty and sparkling prose. An extraordinary novel.

Find this book in the library at FIC ROO

The Dry by Jane Harper

Set in Australia, a government agent returns to his hometown to attend the funeral of a childhood friend. This friend was once the prime suspect in a murder. A well-crafted whodunnit that will keep you guessing.

Find this book in the library at FIC HAR

History of Wolves by Emily Fridlund

Fourteen year old Linda lives in an isolated community in Minnesota. She's an outsider at school who takes an interest in wolves. It's an apt analogy for this haunting novel.

Find this book in the library at FIC FRI

Moonglow by Michael Chabon

When the author visits his terminally ill grandfather, the old man shares stories about his life - his vital work in World War II, his loves, and his conviction for attempted murder. A fascinating story, to say the least.

Find this book in the library at FIC CHA

My Not So Perfect Life by Sophie Kinsella

Katie loves her new job in London. She idolizes her glamorous and sophisticated boss. That is, until she's fired. Believable characters, good storytelling.

Find this book in the library at FIC KIN

The Sleepwalker by Chris Bohjalian

Annalee, wife and mother, tends to sleepwalk. Then one night she disappears.

Find this book in the library at FIC BOH

Wrong Side Of Goodbye by Michael Connelly

An elderly billionaire asks Det. Bosch to find the child he fathered in his college days. The potential heirs to his estate are not keen on that idea.

Find this book in the library at MYS CON

Manitou Canyon by William Kent Kreuger

Investigator O'Connor is helping with a search for a man missing in the North Woods. Then O'Connor also goes missing. And there's blood at his campsite. Tense and suspenseful.

Find this book in the library at MYS KRE

Lost City Of The Monkey God by Douglas Preston

Rumors have circulated for centuries about a lost city in the jungles of Honduras. The author joined an expedition to find it, if it exists. An incredible but true adventure.
