JOURNAL PROMPTS

Looking to get more out of your reading?
Try journaling!

Think of a book you read recently that resonated with you (good or bad) and answer the following prompts :

- Imagine one of your close friends is in need of finding a date. Which character from the book would you consider to be a good match for your friend and why?
- Were there any characters you felt deserved more love, whether that be from a partner, friend, parent, or other person in their life? What would you say to this character to show them that they deserve better?
