Children come to the Lebanon Community Library to discover the many doorways that literacy opens for them. Good reading skills bring success in school, careers, and life by empowering children to continually learn and grow. The Library is a major partner in this process, and we need your support to continue to provide new and interesting books, programs for children and families, and other resources for the children in our community!

This year we are seeking event sponsorships to support this work. Sponsorship includes your name displayed at the event and on our website. Complimentary tickets are available as our thanks to you for sponsorships of \$500 or more.

Sponsorship Opportunities

Platinum: \$1,000 or more
Gold: \$500 or more
