The public library has been an essential institution in our communities for centuries, providing resources for students, job-seekers, families, and lifelong learners. For many, libraries provide resources they need to live, learn, and work. For children, they launch a lifetime of learning, enrichment, and success.

The Lebanon Community Library is an invaluable resource. In 2022, residents:

- Made 73,000 visits to the library
- Borrowed 139,000 books and other materials
- Attended 209 programs
- Took advantage of 70,000 free computer and wifi sessions

Your support is vital to our mission to continue providing quality resources and services that enrich life, foster literacy, inspire intellectual curiosity, and stimulate the imagination.
