# Community Room

True to its name, the Community Room is a space for connection, learning, and sharing. It hosts book clubs, board game nights, and community gatherings, bringing people together through shared interests. Local businesses and nonprofits can also reserve or rent the room at an affordable rate, making it a valuable resource for meetings and events. Whether for fun, learning, or collaboration, this space is open to all, fostering a stronger, more connected community.

## New Clubs Started in 2024

## Our Next Chapter

Our Community Room is growing into an even more inviting space for learning and connection. We encourage patrons to form groups, share their passions, and collaborate. To enhance the room's aesthetic and functionality, we plan to add a storage closet for better organization. We are also welcoming more local businesses and organizations to rent the space for meetings and events.
