We've Got Mail!

In the 1960s, Lebanon Community Library librarian Frank Deodene wrote to prominent figures, inviting them to share which books had most influenced them or brought them the greatest enjoyment. The thoughtful responses that followed reveal the role books played in shaping public lives and ideas.

Each month, we are featuring four original letters from the collection. Come read what history wrote back.

February's Featured Letters

Pearl Buck
Roger Peterson
Conrad Richter
