

TRACK YOUR READING

Mark each time you read 20 minutes (or be read to).

How to complete the tracker:

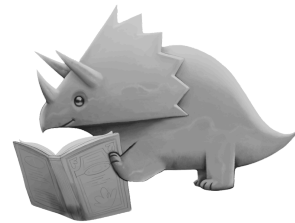

Read a minimum of 120 minutes a week, coloring a rock for each 20 minutes that you read. If you read extra minutes, there's a rock for that too!

Pick one activity to do each week, and write the number of the activity at the space on the end of each week.

EACH LIBRARY INSERT YOUR OWN INSTRUCTIONS

Activities

1. Attend a Library program _____
2. Read an ebook or listen to an audiobook. Check out an audiobook from the library or download the Libby App.
1. Unearth a family recipe. Make it with your family. Tell us what you made.
2. Go outside and dig in the dirt! What did you find?
3. Explore Lebanon County! Pick up a Get Outdoors hiking guide at your Library and complete a GO Lebanon Hike.
4. Pick up an activity page at your library. Show library staff your completed page.
5. Check out a dinosaur book from your Library.
6. Attend a Library program _____
7. Find some unusual places to read - on a trampoline, under a tree, in a blanket fort with a flashlight, etc. - and draw or write about your favorite place.
8. Donate pet food, toys, or kitty litter to the Library for distribution at a local pet shelter.
9. It is America's 250th Birthday! Make a Happy Birthday card to America.
10. Bury a surprise object, create a treasure map to show its location, and have someone else search for and dig up the "treasure" using your map.
11. Donate non-perishable food items to the Library for distribution to a local food bank.
12. Attend a Library program _____
13. Learn the names of 3 dinosaurs and write down 1 fact about each.
14. Visit the National Park Service website and explore the world of Archeology at <https://www.nps.gov/subjects/archeology/index.htm>. Would you like to be an Archaeologist?
17. Research a story about your family. Draw a picture or write it down.
18. Go on a rock hunt. See if you can find an interesting rock. Bring it in and show the library staff.
